National Society Descendants of Early Quakers

Founded 10 d 9 mo 1980

ANCESTOR ROSTER as of 20 Jul 2024

This list of ancestors represents ancestors who have been used by previous applicants. The list may be used as an avenue in locating a qualifying ancestor. Each new application for membership must provide documentary proof of an applicant's ancestor being a member of the Society of Friends in 1835 or earlier based upon primary sources. Appearing on this list or in book without documentation in no way constitutes proof of a qualifying ancestor. The National Inquirer will review the status of the ancestor and determine if he or she continues to be a qualifying ancestor.
